

CAREER OBJECTIVE

As a dedicated and enthusiastic Web Developer with strong foundation in HTML, CSS, JavaScript, Eagar to create dynamic and responsive web applications. Having strong problem-solving abilities and a commitment to continuous learning equip me to deliver high-quality web solutions.

ACADEMIC CREDENTIALS

Bachelor of Technology (B.TECH) Electronics and Communication Engineering (CGPA:7.2)	2021-2025
Kodada institute of technology and science for women	
Intermediate (86.6%)	2019-2021
City central college	
10th class (GPA:8.7)	2018-2019
MDR high school	

PROJECTS

Project title: The Influence of AI on E-governance and Cyber Security in Smart Cities-A Stake Holder Perspective.

Nov-2024 – Jan-2025

Usage in future:

- The future of smart cities relies heavily on the integration of artificial intelligence (AI) in e-governance and cybersecurity.
- As cities become increasingly interconnected, AI will play a vital role in enhancing service delivery, improving decision-making, and ensuring citizen safety.
- Stakeholders must prioritize developing secure-by-design AI solutions, fostering collaboration between public and private sectors, and educating citizens about AI-driven systems.
- By harnessing AI's potential, smart cities can become more efficient, sustainable, and resilient, ultimately improving the quality of life for citizens. Effective AI implementation will be crucial in shaping the future of urban living.

Software used: python, AI, cybersecurity

Project title: E-Commerce website

Usage in future:

- E-commerce platforms will utilize AI-driven personalization, offering tailored product recommendations based on individual preferences and behaviors.
- Additionally, AR and VR integration will allow customers to virtually try on products and experience immersive shopping, bridging the gap between online and offline retail.

Software used: HTML, CSS, Java script

INTERNSHIP

Web Development (Krutanic)

Aug 2024 – Oct 2024

- As a Full Stack Web Developer intern, contribute to the development tasks, in creating and maintaining web applications.
- Work with databases, APIs, and server-side languages Implement responsive design and ensure cross browser compatibility.
- Collaborate with the development team to identify and prioritize project requirements

TECHNICAL SKILLS

- Python
- HTML
- CSS
- BOOTSTRAMP
- JAVASCRIPT
- SQL
- EXCEL

CERTIFICATIONS

- Python: A verified certificate from cisco
- Full stack web development: A verified certificate from Krutanic Solution
- Cloud Computing: A verified certificate from AWS
- IOT: Certified by Vishishta Innovators

PERSONAL PROFILE

Name: D. Sindu priya

Father Name: D. Adinarayana

Date of Birth: 21-08-2003

Language Proficiency: English, Telugu, Hindi

DECLARATION

I hear by declare that all the information furnished above is true to the best of my knowledge

Date:

Place:
